About ACT 2021

The window to check February ACT test scores is now open. Candidates can log in to myact.org to check their ACT 2021 Feb test scores. ACT 2021 test dates are available for April, June and July 2021. The ACT exam dates in the upcoming months are April 16-17, June 11-12 and July 16-17 respectively. ACT test scores are accepted by almost all four year US colleges and more than 200 universities in other countries. ACT 2021 exam has the writing section as optional. Students must write four sections in ACT exam which are reading, English, mathematics and science. Questions in the ACT test 2021 will be 215 multiple-choice questions and duration is 3 hours and 30 minutes which is increased by another 40 minutes for students taking the writing test. Scores for the writing section are required for specific undergraduate programs or universities.

Latest ACT test 2021 updates:

The window to check ACT 2021 test scores for February has opened. All candidates will receive a notification email once the ACT test scores are uploaded at myact.org. For candidates whose scores are unavailable, the ACT test scores 2021 will be available 8 weeks from the test date.

What is ACT test?

The ACT exam is national college admissions examination used by all four year US universities and more than 200 universities outside the US to evaluate applicants for undergraduate admissions. Students are tested in the following subject areas in ACT test

- English
- Mathematics
- Reading
- Science
- ACT with writing (candidates opting for this will have to write the four subject area tests plus a 40-minute writing test).

The ACT test is conducted as per :

- *Code of Professional Responsibilities in Educational Measurement*, National Council on Measurement in Education (1995).
- *Standards for Educational and Psychological Testing*, American Educational Research Association, American Psychological Association, and National Council on Measurement in Education (1999).
- *Code of Fair Testing Practices in Education*, Joint Committee on Testing Practices (2004).

ACT Vs SAT

While both are widely preferred exams, ACT test offers a few additional features as given below

- ACT exam has a science section
- It is a computer based exam
- The number of testing opportunities are 24 in ACT test 2021 as compared to 6 in SAT
- ACT test scores without writing section are announced within 2 days from test date while they are announced in 14 days for SAT
